

of a Volkswagen III sedan.\*  
\$1940 will now buy you behind the wheel  
of a 1971 Volkswagen. We strongly announce a new  
Volkswagen with our 32 hp engine improvements  
can see  
A 1971 Volkswagen improvement you

For 1971

more powerful engine, it still runs  
even though it now runs around on  
in its independent joints like that.  
The 32 hp area of perfecting one model  
of it.  
In little car that you, I expect what  
we found the joints to take

the left side rear

look like a E  
from the big  
And in co  
drives  
It still survives on  
It still operates the  
around on around.
